

**GRASSROOTS SCHOOL PERMISSION SLIPS** (version 8-3-2015)

**FIELD TRIP PERMISSION**

I have reviewed the following rules of behavior expected on field trips with my children.

1. Cooperative behavior is required on the way and at the places we visit. Students are restricted from field trips if they cannot follow directions from the people supervising the trip.
2. Money cannot be spent on field trips unless specifically stated otherwise.
3. Signing up in advance is a necessary part of field trip planning particularly for the purchase of tickets and lining up drivers. Students who sign up and decide not to go will not go on the next 2 trips.

I agree not to hold the school, our field trip hosts, drivers, teachers and/or chaperones responsible in case of an accident on a field trip.

I give my permission for \_\_\_\_\_ {student name(s)}  
to go on field trips while attending Grassroots School.

I have inspected the rope swing, tower and surrounding area. I give my child(ren) permission to swing from the tower consistent with the posted rules.

Photographs and/or video recordings of Grassroots students participating in school activities are taken from time to time. I understand that the school may like to use images of my child(ren) \_\_\_\_\_ for public relations and for educational purposes. In order to promote the Grassroots School, they may appear on our website, in publications, presentations and elsewhere. His or her original artwork or writings also may be used for these purposes.
