

STUDENT TIMES

WELCOME
 by Chloe, Editor,
 Grassroots Student Times
 This is your newspaper.
 It is about your time as a student.
 It is for you, about you, by you.
 Can you draw? We print cartoons,
 drawings, diagrams, mazes, art.
 Can you write? We want your
 news, your views, your ideas.
 We want the 5 W's: Who,
 What, When, Where, Why.
 We want your jokes, your likes,
 your dislikes, your interests.
 We will publish at least once
 a month. Working on the school
 newspaper is a great skill and
 looks good on your resume. And
 you get a piece of the pizza pie.

GAME REVIEW: HALO WARS
 by Tristan
 Halo Wars is a RTS video
 game (Real Time Strategy)
 for XBOX 360. You are the
 commander of an UNSC ship.
 You command an army of UNSC
 forces. The ***** Scarab
 is the difficult part.
 I disliked that there is
 no custom match-making.
 Tools idk. Skills idk
 Up-to 6 can play online,
 but 1 off line. This game
 rated for teens. I learned
 I like RTS'S.
