Fairytail By Amaya Davis

Hi, I'm Lillia Dragneel and I'm a dragon slayer. I really hope to join Fairytail someday and I'm the
 daughter of Natsu and Lucy my parents won't let me join the guild yet, but with hard work, annoyance
 and determination I will get them to let me join someday. You see my mom is a celestial wizard and my
 father is a dragon slayer. My moms' celestial spirits are mean one of the keeps calling me a brat. I
 absolutely hate it. Only one of them understands me and its Aries she really needs to stop saying sorry
 all the time but otherwise she's nice and understanding one day ill muster up the courage to make the
 others leave me alone. But for now, I'll have to suck it up and deal with it. I have an exceed named Lilly
